March 2007

POSITIONS VACANT

All Valve currently has two sales positions available. We are looking to a Sales Trainee to work at our Miranda office and, also a Sales Rep for Victoria.

The sales trainee position involves working on the phones, quoting, purchasing and general customer service. Our ideal applicant would have good communication skills, be outgoing, have an aptitude for maths and technical principles as well as being familiar with computers. Experience is not necessary as full training would be provided.

For the Victorian Rep, we are looking for someone with a knowledge of plumbing, valves or associated products. Ideally this person would be organised and a self starter who is prepared to call on our existing customers on a regular basis. A salary, super, mobile and a car would be provided.

If you have relatives or friends who you feel may be interested in either position, please get them to call Glen on (02) 8543 5111

NEW NATIONAL DISTRIBUTOR FOR CLAMPS

We are pleased to advise that as of 1st March, 2007, TurboSmart will be the exclusive national distributor of the Murray "Turbo Seal" constant tension hose clamps to the automotive industry.

TurboSmart is proudly an Australian-owned company with over 10 years experience in the automotive industry. They are well suited to incorporating the 'Turbo Seal' clamp into their range of hi-performance products and offer customers great access to the 'Turbo Seal' clamp and support in the market.

The 'Turbo Seal' clamps are a fantastic product and we are confident that TurboSmart will do an excellent job of getting these clamps into the automotive retailers. For more information on the 'Turbo Seal' clamps or TurboSmart's other performance products, contact Stewart or Rodney on 02 9797 0545.
